Project Camelot's purpose is to provide a vehicle for whistle blowers and truth tellers to get the truth out.

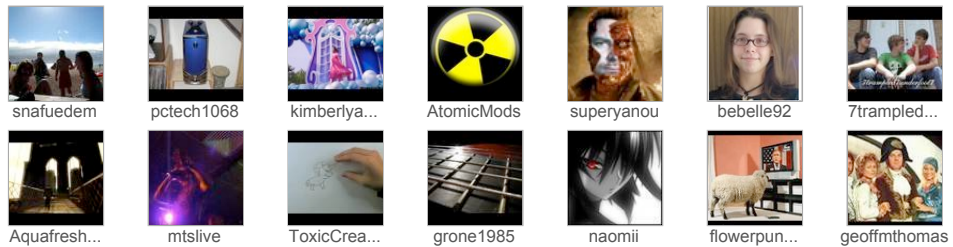

Documentary interviews with leading whistle blowers, experiencers and researchers regarding conspiracies, ETs and revealing the truth behind the Matrix.

In addition our new site, Project Avalon has been created for networking and building communities and safe places for the coming years.

About Me:

Kerry Lynn Cassidy has a BA in English with graduate work in Sociology, an MRA certificate

graduate work in Sociology, an MBA certificate from the UCLA Anderson Graduate School of Management, and was competitively selected to attend a year of film school at the UCLA Extension Short Fiction Film Program as one of their first "hyphenates": a writer-director-producer.

After 19 years in Hollywood working for major studios and independent production companies in production, development and new media, she has written a number of screenplays, acquired an option on the movie rights to the Wingmakers story in 2003.

She is a co-founder of Project Camelot and Project Avalon along with her partner, Bill Ryan.
