We as senior members have the right to post to this website, but neither Dan nor Marci have vetted this material nor were they part of the investigation. We, as the two African American members of the Eagles Team feel the need to ask these questions:

IN ANTICIPATION OF BLACK HISTORY MONTH, A TIME WHEN WE IN AMERICA REMEMBER AND SALUTE THE LIVES, STRUGGLES, AND GREAT CONTRIBUTIONS OF AFRICAN-AMERICANS AND BLACK PEOPLE FROM ALL OVER THE GLOBE, WE, THE TWO AFRICAN-AMERICAN MEMBERS OF THE EAGLES TEAM HAVE NOTICED SOMETHING AND WISH TO ASK TWO QUESTIONS.

WHY IN ABOUT 4 YEARS, HASN'T PROJECT CAMELOT, AFTER CONDUCTING ALL THESE INTERVIEWS, FOUND JUST 1 BLACK PERSON, OR A BLACK PERSON'S INTERVIEW GOOD ENOUGH TO HIGHLIGHT IN THEIR GALLERY ON THEIR FRONT PAGE?

(LOOK FOR YOURSELVES. WHO CAN THEY CONVINCED THAT THEY DIDN'T KNOW? WE HOPE THEY DON'T TRY TO "INVENT ONE" NOT PICTURED, OR SAY 'SOME OF THEIR BEST FRIENDS ARE..')

FRANKLIN (SECRET SQUIRREL)  
AFRICAN-AMERICAN

&

STEVEN (MONGREL)  
AFRICAN/&PR-AMERICAN

Look at this - the people they've interviewed.....

Why?
